

Medical Supplies for the Health and Emergency Professional

## Fingertip PulseOximeter

### MS-74001

*Affordability in Pulse Oximetry. This unit features a single directional LED display that includes a pulse rate monitor, an SPO2 monitor and a plethbar. The automatic switch-off feature preserves battery life. Suitable for adult, pediatric and neonatal use.*

### MS-74002

*This unit features the same functionality as our MS-74001, but with an improved 2-color OLED display with 6 display modes, including SPO2, Pulse Rate and the pleth waveform. The automatic switch-off feature preserves battery life. Suitable for adult, pediatric and neonatal use.*
