

Medical Supplies for the Health and Emergency Professional

MedSource

INTERNATIONAL, LLC

Oxygen Regulator

The MedSource Oxygen Regulator features an ergonomic “easy grip” dial and large easy-to-read numbers. The dial is constructed of impact-resistant TPE plastic. The “T” style handle is fitted with a screw stop to prevent handle loss. Ignition tested according to CGA/ASTM standards. The unit comes with a 2 year limited warranty and is made in the USA.

Item #	Description
MS-010R15	Oxygen Regulator, 0-15 LPM

Also Available:

These high-quality medical oxygen cylinders are constructed with the high-strength aluminum alloy 6061-T6. They are finished with a brushed body, green shoulder and a clear coat of heat-sensitive powder paint.
